

## Newsletter No. 2

June 2007

Dear Friends,

Summer has arrived in splendour here at Daphne's Club! Here is an update on our activities:

### Environmental update

In May we roamed the area in search of good organic drinks. Now, our bar boasts some excellent Greek **organic beer** and **organic wine**! We can't wait for you to taste it!

The **hand soap and washing liquid** provided in all our apartments has been replaced with eco-friendly products (ECOVER).

We have included in our Guest Information booklet **tips on how to save resources while on holiday**. These tips were provided by the Greek office of the World Wildlife Fund (WWF). WWF also sent us a **leaflet on how to make our hotel more eco-friendly**, which we distributed to hotel owners in our area.

Last but not least, we now offer you a **refreshing welcome drink and homemade welcome snack** upon arrival: chilled lemonade made from concentrated organic lemon juice and organic orange biscuits, lovingly created by mother and daughter Mastorakou in their "Kallidorpio" organic bakery/patisserie, in the village of Poulitsa, near Corinth!

### Beach update

The beach of Sykia has once more been awarded a **Blue Flag**. The Blue Flag is an exclusive eco-label awarded to over 3200 beaches and marinas in 37 countries across Europe, South Africa, Morocco, New Zealand, Canada and the Caribbean in the past year. And Sykia is one of them!

Our **new beach umbrellas** have arrived, so now you can go to the beach in style, with both Daphne's Club umbrellas *AND* Daphne's Club beach chairs!

## Decorations update

This month we focused on making our roof garden *THE* place to be! Check out our “**bed in the open**” and imagine yourself relaxing there on a warm, breezy afternoon, with your book or newspaper and a glass of cappuccino freddo! Bliss!

## Website update

See our hotel and the area through the eyes of our guests, in the newly created **Guest Photo Gallery**! Our first entries include pictures sent to us by guests from the USA, Austria and Turkey!

We have also updated the **Itineraries suggested by our guests**. In this part of the website you can check out interesting excursions suggested by some of the people who have already stayed here at Daphne's Club.

Thank you for taking the time to read all about our new activities! If you have any questions, or if you would like to find out more about any of the above, do not hesitate to contact us.
